On the BOCES staff and teaching in Keshequa Central School are Michele Donovan, hearing impaired; Helen Hildrith, speech therapist; Joanne McCraken, speech therapist; Debora Reisch. hearing impaired.

Opening day on Wednesday will bring a full day of classes. The faculty will report the previous day for orientation sessions and teacher meetings.

The high school homeroom will start at 8:15 a.m. and eighth period will end at 2:20 p.m. with the activity period ending at 3:15 p.m. Elementary school will start 8:30 a.m. and all grade pupils are expected to be in school at 8:20 a.m.

Officials announced there will be no major changes in the transportation schedule. Students can anticipate being picked up at their bus stops about the same time as last year. However, it is recommended they be ready 15 minutes in advance until such time the bus schedule becomes fully coordinated.

Student Wins VFW Contest

Karen Thompson, a sophomore at Keshequa Central School, was the first place winner in the Nunda Veterans of Foreign Wars Post and Auxiliary Voice of Democracy Essay Contest. She is the daughter of David and Thelma Thompson of Dalton.

As the contest winner, she received a \$50 savings bond from the Post and \$15 from the Auxiliary. She went on to compete on the district level and gained third place which brought a \$25

Each year, the VFW sponsors a Voice of Democracy essay program, giving high school students an opportunity to "think, write down and speak up for our country, freedom and democracy." This year's theme, "The Chal-

lenge of American Citizenship," focused on the attention of youth on their role as the leaders of tomorrow and how their guidance would preserve democracy as a way of life in the United States."

Mr. and Mrs. Burdette Clark visited Mrs. Edna Bailey at Allentown one day last week. fr. and Mrs. Herbert Masters

visited friends in Olean last week. Mrs. Ronald Colton of Poplar Ridge was a weekend guest of Mrs. Howard Colton.

Ir. and Mrs. Eugene Kremzier of Williamsville and Mr. and Mrs. Robert Smith and Nedra Smith spend a few days recently at Lancaster, Pa.

Mr. and Mrs. Allen Crosier visited Mrs. Chester Weaver at Wellsville last Thursday.

Date of a Dalton Old Home Day has been set for Sept. 20 (at 1 p.m.) by the Dalton Improvement Association. Residents, former residents, friends and neighbors are urged to attend a fellowship dinner at the Legion Hall. Bring a dish to share, your own place setting and a folding chair if you have one. All are welcome.

Nancy Lowell of Columbia, S.C., has been visiting her mother, Mrs. Francis Lowell.

In a recent item in this column we neglected to say that Sara Tacia Plymouth, Mich., met her grandmother, Mrs. Walter Novell, who was visiting relatives in Kansas, returned with Mrs. Novell and spent 10 days here. Mrs. Vivian Baker accompanied Mrs. Novell when she took Sara back to Michigan.

Congratulations are extended to Mrs. Randy Phillips for her hole-

Albany Report

BY ASSEMBLYMAN JOHN HASPER

In the shadow of the historic, multi-year personal income tax cut passed by the Legislature, we recently took equally important action to reduce the tax burden on state businesses and save jobs.

The Business Tax Reform and Rate Reduction Act of 1987 provides corporations, banks, and insurance companies with business tax cuts to offset the windfall the state received from the federal tax changes of 1986.

While this year's tax cut package in the state budget contained many of the personal income tax initiatives advanced by my Assembly Republican colleagues, I was disappointed that we overlooked the need for corporate tax cuts at that time. I was further distrubed that Assembly Democrats were successful in eliminating many of the important tax credits, including the Investment Tax Credit, the Research and Development Credit, and the Economic Development Zone credits, which encourage businesses to locate in New York state, and expand the job base.

I am pleased that we have finally approved changes in the corporate taxstructure to ensure a fairer system of taxation for New York businesses. Under this measure, business taxpayers will receive approximately \$200 million in each of the next four years from the federally generated

The measure also reduces corporate tax rates, which will work to make the state more competitive with surrounding ones and make our businesses more competitive with out-of-state busines-

Specifically the corporate tax measure includes the following

Reduces the Corporate Franchise Tax from 10 to nine percent for larger businesses (with incomes of \$290,000 or more), graduated down to eight percent for small businesses (with incomes of \$2000,000 or less).

Reinstates and restructures corporate Investment Tax Credit (ITC), Research and Development Credit and Employment Incentive

Provides for a more equal tax burden for corporations based on their ability to pay.
